**James Caldwell**

**Received prior to her passing...**

It is unbelievable the help and support I have received from my family, church family, friends, and the best neighbors in town during these days of incapacity. There are not enough words to express my sincere appreciation. Please pray for my ability to walk again soon. God bless each one of you.  
**Louise Israel**

Dear First Baptist Church,  
Thank you for opening your doors for our community health screening. It is because of your generosity that LifeLine Screening continues to be able to bring health screenings to your area and for that, we are very appreciative. We look forward to working together again! We appreciate all your help and support with hosting this community outreach event.  
**Sincerely, Amy Thweatt (LifeLine Screening)**
