First Baptist Church,  
Thank you for the beautiful plant that you all sent at the passing of my grandmother. We truly appreciate your thoughts and prayers during this time. Your support during this time is greatly appreciated!  
Love, Holly

Thank you for your recent donation. We are very thankful for your support of the Pregnancy Test and Resource Center. Your support of our ministry allows us to continue helping young women and their families in unplanned pregnancy situations.

It's that time of year! The holiday season is upon us. It feels like we were just celebrating Independence Day! My favorite holiday is Thanksgiving. I love all the food that comes with it... turkey, dressing, sweet potato casserole, pecan pie. I like having a day where the only plans center around food. This year, before putting up your Christmas tree and stringing those outdoor lights, I want to encourage you to enjoy the blessings God has given you. Be grateful for what's around you. Your family. Your friends. Your job. Your school. Your church. Sometimes, it's hard for us to be thankful because we lack contentment. We are always comparing ourselves to others and wanting more. We look at the calling God has given others, and we become unsatisfied, resentful, or envious. Don't let comparison cloud what God has called you to do. Don't be afraid to try your ideas, even if they are different. Don't be scared to lean into your gifts, even if you do lack a little confidence. Don't fear taking risks to accomplish what God has called you to do, even if nobody else is doing it. And, don't look into others' lives and believe God has withheld something from you. God has placed you where He wants you. Be thankful for that! I pray you have a happy Thanksgiving! ~Jon
